

### Progression in Writing Skills at St. Peter's

<p><b>EYFS</b></p>	<p><b>Literacy</b>  <i>It is crucial for children to develop a life-long love of reading. Reading consists of two dimensions: language comprehension and word reading. <b>Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together. Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words. Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing).</b></i></p>
