The adults who are accompanying the visit are: myself, Miss Blakey, Clare Larden & Hugo Dunkley.

At this time, we do not know where we will be sitting. We will find out at the end of this week, hopefully.

Last year, a parent and her child shone matching star shaped torches prior to the concert so that they could easily find each other. Obviously, if everyone takes stars that would become confusing, but if you've got a pair of light-up devices, it will aid locating our school and parent groups. I have even found a light up unicorn wand from glowsticks.co.uk (50cms long and takes 3 x AAA batteries) on Google this afternoon so such items do actually exist – which didn't actually come as a surprise to me! You can even get a light up squid hat! Bonkers!

All lights must be turned off at the start of the concert.

If you have any further questions, please don't hesitate to contact me at school.

Yours sincerely,

Yvonne Reeson
Head teacher
