St. Peter's Vision Statement:

At St Peter's C of E Primary School, the growth and development of children and adults is central to everything we do. As a church school, we aim to serve and take care of our community by providing an education that inspires every child to be the best they can be. This is within a framework that is rooted in distinctive Christian beliefs and values whilst embracing diversity, respecting other faiths and worshipping together. We encourage an understanding of the meaning and significance of faith and promote Christian values through the experiences we offer to all our school community.

We are a TAKE CARE school.

Everyone will take care of themselves - practicing mindfulness and being mindful of their own well being
Everyone will take care of others in their speech and actions. They will be mindful of others.
Everyone will take care of the school - its fabric and reputation. Everyone will take care of the community through their actions.
Everyone will take care of the wider world through acts of charity.

Our 'Beyond Expectation' attitudes:

Be kind
Be positive
Be respectful
Be resilient
Be forgiving
Be courageous
Be trustworthy
Be yourself!

These Christian values underpin all that we do in school so that our children may live out the Vision of the school.

EQUALITY, DIVERSITY AND INCLUSION STATEMENTS

In fulfilling our legal obligations, we will be guided by seven core statements:

Statement 1: All learners are of equal value.

Statement 2: We recognise, welcome and respect diversity.

Statement 3: We foster positive attitudes and relationships, and a shared sense of belonging. **Statement 4:** We observe good equalities practice, including staff recruitment, retention and development. **Statement 5:** We aim to reduce and remove existing inequalities and barriers.

Statement 6: We consult and involve widely

Statement 7: We strive to ensure that society will benefit.

The nominated Governor with the responsibility for Behaviour is Luke Evans in his role as the Safeguarding link governor.

5. Roles and responsibilities

5.1 The governing board

The Strategic Development and Pupils committee is responsible for:

- › Reviewing and approving the written statement of behaviour principles (appendix 1)
- › Reviewing this behaviour policy in conjunction with the headteacher
- › Monitoring the policy's effectiveness
- › Holding the headteacher to account for its implementation

5.2 The headteacher

The headteacher is responsible for:

- › Reviewing this policy in conjunction with the Strategic Development and Pupils committee
- › Giving due consideration to the school's statement of behaviour principles (appendix 1)
- › Approving this policy
- › Ensuring that the school environment encourages positive behaviour
- › Ensuring that staff deal effectively with poor behaviour
- › Monitoring that the policy is implemented by staff consistently with all groups of pupils
- › Ensuring that all staff understand the behavioural expectations and the importance of maintaining them

- › Providing new staff with a clear induction into the school's behavioural culture to ensure they understand its rules and routines, and how best to support all pupils to participate fully
- › Offering appropriate training in behaviour management, and the impact of special educational needs and disabilities (SEND) and mental health needs on behaviour, to any staff who require it, so they can fulfil their duties set out in this policy
- › Ensuring this policy works alongside the safeguarding policy to offer pupils both sanctions and support when necessary
- › Ensuring that the data from the behaviour log is reviewed regularly, to make sure that no groups of pupils are being disproportionately impacted by this policy (see section 13.1)

5.3 Staff

Staff are responsible for:

- › Creating a calm and safe environment for pupils
- › Establishing and maintaining clear boundaries of acceptable pupil behaviour
- › Implementing the behaviour policy consistently
- › Communicating the school's expectations, routines, values and standards through teaching behaviour and in every interaction with pupils
- › Modelling expected behaviour and positive relationships
- › Providing a personalised approach to the specific behavioural needs of particular pupils
- › Considering the impact of their own behaviour on the school culture and how they can uphold school rules and expectations
- › Recording behaviour incidents promptly (see appendix 3 for a behaviour log)
- › Challenging pupils to meet the school's expectations

The senior leadership team (SLT) will support staff in responding to behaviour incidents.

5.4 Parents and carers

Parents and carers, where possible, should:

- › Get to know the school's behaviour policy and reinforce it at home where appropriate
- › Support their child in adhering to the school's behaviour policy
- › Inform the school of any changes in circumstances that may affect their child's behaviour
- › Discuss any behavioural concerns with the class teacher promptly
- › Take part in any pastoral work following misbehaviour (for example, attending reviews of specific behaviour interventions)
- › Raise any concerns about the management of behaviour with the school directly, while continuing to work in partnership with the school
- › Take part in the life of the school and its culture

The school will endeavour to build a positive relationship with parents and carers by keeping them informed about developments in their child's behaviour and the school's policy, and working in collaboration with them to tackle behavioural issues.

5.5 Pupils

Pupils will be made aware of the following during their induction to the school into the behaviour culture:

- › The expected standard of behaviour they should be displaying at school
- › That they have a duty to follow the behaviour policy

- The school's routines, 'Beyond Expectation Education Attitudes' and what it means to be part of a 'Take Care' School
- The 'rewards' (not physical) they can earn for meeting the behaviour standards, and the consequences they will face if they don't meet the standards
- The pastoral support that is available to them to help them meet the behaviour standards

Pupils will be supported to meet the behaviour standards and will be provided with repeated induction sessions wherever appropriate.

Pupils will be supported to develop an understanding of the school's behaviour policy and wider culture.

Pupils will be asked to give feedback on their experience of the behaviour culture to support the evaluation, improvement and implementation of the behaviour policy.

Extra support and induction will be provided for pupils who are mid-year arrivals.

6. School behaviour curriculum

Our approach to behaviour management is always fair and consistent. The children have been actively involved in the development of the school's 'Take Care' statement and 'Beyond Expectation' attitudes that form the basis of our expectations for behaviour in school. All children are aware of what is expected of them and understand that sanctions may be applied if behaviour is deemed to be inappropriate. There are no specific class or school 'rules'.

Where appropriate and reasonable, adjustments may be made to routines within the curriculum to ensure all pupils can meet behavioural expectations in the curriculum.

6.1 Mobile phones

Children are not allowed mobile phones in school.

7. Responding to behaviour

7.1 Responding to good behaviour

When a pupil's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the school's culture and ethos.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the school's behaviour culture.

Positive behaviour will be rewarded with:

Strategies for promoting good behaviour

- Verbal praise
- Positive comments in books
- Feedback to parents
- Telling other staff so the child can receive extra praise
- Being given positions of responsibility, such as being entrusted with a particular 'job'
- Positive referral to headteacher

This is not an exhaustive list.

We do not reward 'good' behaviour with stickers or certificates. The reward for the child is knowing that they are behaving well.

7.2 Responding to misbehaviour

When a pupil's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so pupils know with certainty that misbehaviour will always be addressed.

De-escalation techniques, including the use of pre-arranged scripts and phrases, can be used to help prevent further behaviour issues arising.

All pupils will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified and taken into account.

When giving behaviour sanctions, staff will also consider what support could be offered to a pupil to help them to meet behaviour standards in the future.

Low level disruption or other inappropriate or unacceptable behaviours are dealt with by the class teacher or assistant teacher. Most incidents are remedied with a quiet word or asking the question 'are you doing the right thing?'

More serious incidents may require a stronger response.

- › A verbal reprimand and reminder of the expectations of behaviour
- › Dialogue with other staff
- › Referral to head teacher
- › Standing against the outside wall at playtime
- › Letter of apology
- › Separation from others in the playground
- › Sending the pupil out of the class
- › Setting of written tasks such as an account of their behaviour
- › Expecting work to be completed at home, or at break or lunchtime
- › Detention at break or lunchtime, or after school
- › Loss of privileges – for instance, the loss of a prized responsibility
- › School-based community service, such as tidying a classroom
- › Referring the pupil to a senior member of staff
- › Letter or phone call home to parents/carers
- › Removal of the pupil from the classroom
- › Suspension
- › Permanent exclusion, in the most serious of circumstances

This is not an exhaustive list.

Personal circumstances of the pupil will be taken into account when choosing sanctions, and decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

Negative behaviour will be judged on intent, so as not to disproportionately 'catch' children with SEN behaviour difficulties.

Restorative Practice

Incidents involving another child(ren) will be addressed using the system of Restorative Practice whenever possible. Restorative approaches enable those who have been harmed to convey the impact of the harm to those responsible, and for those responsible to acknowledge this impact and take steps to put it right. Restorative approaches refer to a range of methods and strategies which can be used both to prevent relationship-damaging incidents from happening and to resolve them if they do happen.

7.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the behaviour curriculum or their own classroom rules
- Develop a positive relationship with pupils, which may include:
 - Greeting pupils in the morning/at the start of lessons
 - Establishing clear routines
 - Communicating expectations of behaviour in ways other than verbally
 - Highlighting and promoting good behaviour
 - Concluding the day positively and starting the next day afresh
 - Having a plan for dealing with low-level disruption
 - Using positive reinforcement

7.2 Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection.

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information

7.5 Reasonable force

Reasonable force covers a range of interventions that involve physical contact with pupils.

In the event of a serious incident, physical restraint may be required. In such an instance, the physical restraint will ideally be administered by the 'Manual Handling' trained staff, Bettina Houghton and Anita Turner, using reasonable force, appropriate to the actions, age and build of the child(ren) involved. However, all members of staff have a duty to use reasonable force, in the following circumstances, to prevent a pupil from:

- Causing disorder
- Hurting themselves or others
- Damaging property
- Committing an offence

Incidents of reasonable force must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible

- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents/carers (see appendix 3 for a behaviour log)

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

For more details, please refer to the Safe Touch & Physical Intervention policy.

7.6 Searching and confiscation

**THE NEED FOR THIS IS EXCEPTIONALLY RARE AT ST. PETER'S*

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

Confiscation

Any prohibited items (listed in section 3) found in a pupil's possession as a result of a search will be confiscated. These items will not be returned to the pupil.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate.

Searching a pupil

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the pupil, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the pupil can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; **and**
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the pupil; **or**
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff

When an authorised member of staff conducts a search without a witness, they should immediately report this to another member of staff, and make sure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the pupil. During this time the pupil will be supervised and kept away from other pupils.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the pupil is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed.

An appropriate location for the search will be found. Where possible, this will be away from other pupils. The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search
- Assess whether not doing the search would put other pupils or staff at risk

- › Consider whether the search would pose a safeguarding risk to the pupil
- › Explain to the pupil why they are being searched
- › Explain to the pupil what a search entails – e.g. “I will ask you to turn out your pockets and remove your scarf”
- › Explain how and where the search will be carried out
- › Give the pupil the opportunity to ask questions
- › Seek the pupil's co-operation

If the pupil refuses to agree to a search, the member of staff can give an appropriate behaviour sanction.

If they still refuse to co-operate, the member of staff will contact the headteacher to try to determine why the pupil is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the pupil. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3, but not to search for items that are only identified in the school rules.

The authorised member of staff may use a metal detector to assist with the search.

An authorised member of staff may search a pupil's outer clothing, pockets, possessions, desk or locker.

'Outer clothing' includes:

- › Any item of clothing that isn't worn wholly next to the skin or immediately over underwear (e.g. a jumper or jacket being worn over a t-shirt)
- › Hats, scarves, gloves, shoes or boots

Searching pupils' possessions

Possessions means any items that the pupil has or appears to have control of, including:

- › Desks
- › Lockers
- › Bags

A pupil's possessions can be searched for any item if the pupil agrees to the search. If the pupil does not agree to the search, staff can still carry out a search for prohibited items (listed in section 3) and items identified in the school rules.

An authorised member of staff can search a pupil's possessions when the pupil and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

Informing the designated safeguarding lead (DSL)

The staff member who carried out the search should inform the DSL without delay:

- › Of any incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item as listed in section 3
- › If they believe that a search has revealed a safeguarding risk

All searches for prohibited items (listed in section 3), including incidents where no items were found, will be recorded in the school's safeguarding system.

Informing parents/carers

Parents/carers will always be informed of any search for a prohibited item (listed in section 3). A member of staff will tell the parents/carers as soon as is reasonably practicable:

- › What happened
- › What was found, if anything
- › What has been confiscated, if anything
- › What action the school has taken, including any sanctions that have been applied to their child

Support after a search

Irrespective of whether any items are found as the result of any search, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

7.7 Off-site misbehaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- › Taking part in any school-organised or school-related activity (e.g. school trips)
- › Travelling to or from school
- › Wearing school uniform
- › In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- › Could have repercussions for the orderly running of the school
- › Poses a threat to another pupil
- › Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a school-organised trip).

7.8 Online misbehaviour

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- › It poses a threat or causes harm to another pupil
- › It could have repercussions for the orderly running of the school
- › It adversely affects the reputation of the school
- › The pupil is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

7.9 Suspected criminal behaviour

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the headteacher or senior teacher will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

7.10 Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to early help
 - Refer to children's social care
 - Report to the police

Please refer to our child protection and safeguarding policy for more information

7.11 Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other pupils.

8. Serious sanctions

8.1 Removal from classrooms

In response to serious or persistent breaches of this policy, the school may remove the pupil from the classroom for a limited time.

Removal is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove pupils from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal.

Removal can be used to:

- › Restore order if the pupil is being unreasonably disruptive
- › Maintain the safety of all pupils
- › Allow the disruptive pupil to continue their learning in a managed environment
- › Allow the disruptive pupil to regain calm in a safe space

Pupils who have been removed from the classroom are supervised by the Head teacher, and will be removed for a maximum of 1 hour, in the most serious of circumstances.

Pupils will not be removed from classrooms for prolonged periods of time without the explicit agreement of the headteacher.

Pupils should be reintegrated into the classroom as soon as it is appropriate and safe to do so. The school will consider what support is needed to help a pupil successfully reintegrate into the classroom and meet the expected standards of behaviour.

Parents/carers will be informed on the same day that their child is removed from the classroom.

The school will consider an alternative approach to behaviour management for pupils who are frequently removed from class, such as:

- › Meetings with SLT
- › Use of teaching assistants
- › Short-term behaviour report cards
- › Long-term behaviour plans

Staff will record all incidents of removal from the classroom on CPOMs, along with details of the incident that led to the removal, and any protected characteristics of the pupil.

8.3 Suspension and permanent exclusion

The school can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour which has not improved following in-school sanctions and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

Please refer to our exclusions policy for more information

9. Responding to misbehaviour from pupils with SEND

9.1 Recognising the impact of SEND on behaviour

The school recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND).

When incidents of misbehaviour arise, we will consider them in relation to a pupil's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the school will take its legal duties into account when making decisions about enforcing the behaviour policy. The legal duties include:

- › Taking reasonable steps to avoid any substantial disadvantage to a disabled pupil being caused by the school's policies or practices ([Equality Act 2010](#))
- › Using our best endeavours to meet the needs of pupils with SEND ([Children and Families Act 2014](#))
- › If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring.

Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned.

- › Short, planned movement breaks for all pupils – Resilience Reaps Rewards
- › Adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher
- › Adjusting uniform requirements for a pupil with sensory issues or who has severe eczema
- › Training for staff in understanding conditions such as autism
- › Use of separation spaces (sensory zones or nurture rooms) where pupils can regulate their emotions during a moment of sensory overload

9.2 Adapting sanctions for pupils with SEND

When considering a behavioural sanction for a pupil with SEND, the school will consider whether:

- › The pupil was unable to understand the rule or instruction
- › The pupil was unable to act differently at the time as a result of their SEND
- › The pupil was likely to behave aggressively due to their particular SEND

If the answer to any of these is 'yes', it may be unlawful for the school to sanction the pupil for the behaviour.

The school will then assess whether it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

9.3 Considering whether a pupil displaying challenging behaviour may have unidentified SEND

The school's special educational needs co-ordinator (SENCO) may evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

9.4 Pupils with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the matter. If appropriate, the school may request an emergency review of the EHC plan.

10. Supporting pupils following a sanction

Following a sanction, the school will consider strategies to help the pupil to understand how to improve their behaviour and meet the expectations of the school.

- › Reintegration meetings
- › Daily contact with the pastoral lead
- › A report card with personalised behaviour goals

11. Pupil transition

11.1 Inducting incoming pupils

The school will support incoming pupils to meet behaviour standards by discussing our Take Care and our Beyond Expectation Education approach to familiarise them with the behaviour policy and the wider school culture.

11.2 Preparing outgoing pupils for transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information relating to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

12. Training

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

- › The proper use of restraint
- › The needs of the pupils at the school
- › How SEND and mental health needs can impact behaviour

Behaviour management will also form part of continuing professional development.

13. Monitoring arrangements

13.1 Monitoring and evaluating behaviour

The school will collect data on the following:

- › Behavioural incidents, including removal from the classroom
- › Attendance, permanent exclusions and suspensions
- › Use of pupil support units, off-site directions and managed moves
- › Incidents of searching and confiscation
- › Perceptions and experiences of the school behaviour culture for staff, pupils, governors and other stakeholders (via anonymous surveys)

- At the level of individual members of staff

At each review, the policy will be approved by the SDP Committee.

The written statement of behaviour principles (appendix 1) will be reviewed and approved by the SDP committee annually.
