

Dear Parent/Carer,

We want to briefly introduce ourselves, Ideal School Meals, as your new school meal provider and welcome you and your children to our catering service. From 2nd September 2026, Ideal School Meals will provide your child's lunchtime meals.

Ideal School Meals is an independently owned business whose journey started by catering to one local primary school from a village restaurant. We now operate 6 Lincolnshire based kitchens and proudly provide over 70 schools with our catering service, serving over 6,000 healthy and nutritious meals every day.

We are passionate about providing high quality, healthy, and enjoyable meals that are varied and interesting. Our menus comply with the national standards for school lunches, so you can be confident your child is enjoying a healthy and balanced lunch. With a choice of five main meal options and three desserts, including a wide range of traditional and modern, child friendly dishes, we ensure that different tastes are catered for. Furthermore, we provide meals for allergy and dietary requirements, where required, so no child is excluded from our service. We welcome you to contact us to discuss your child's needs.

Orders are processed through our online system. Please follow the instructions in the accompanying user guide to register for your account. Menus will be released towards the end of July, and the deadline for placing orders for the first week of service will be 9:00 a.m. on Tuesday, 26th August.

The cost of a two-course school lunch is £2.80. However, children entitled to free school meals do not need to pay.

If you have any initial questions, please don't hesitate to email us at enquiries@idealschoolmeals.co.uk or call us at 01522 246424.

Kind Regards

Ideal School Meals
