SEN / non-SEN and FSM (based on pupils in years R-11)

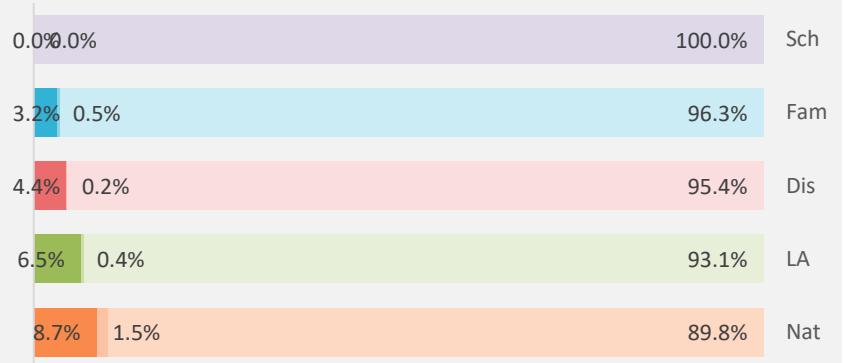

Dark shades refer to pupils with SEN

There are no SEN pupils who are eligible for FSM in your school.

Early years pupils (years E1-R) with SEN

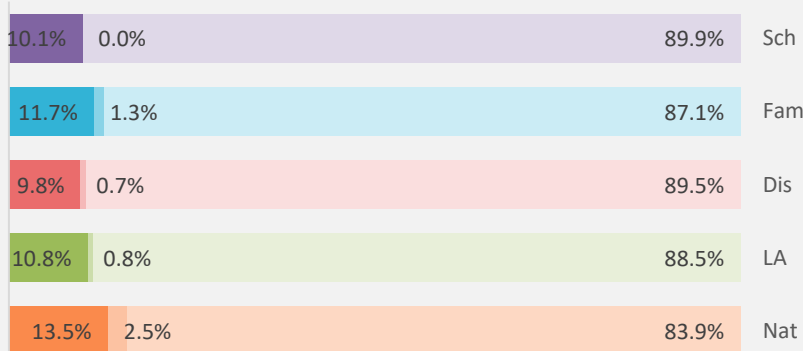

There are no early years pupils with SEN in your school.

All year groups with SEN

11 of your 109 pupils are classified as having SEN, this is 10.1% of your cohort.

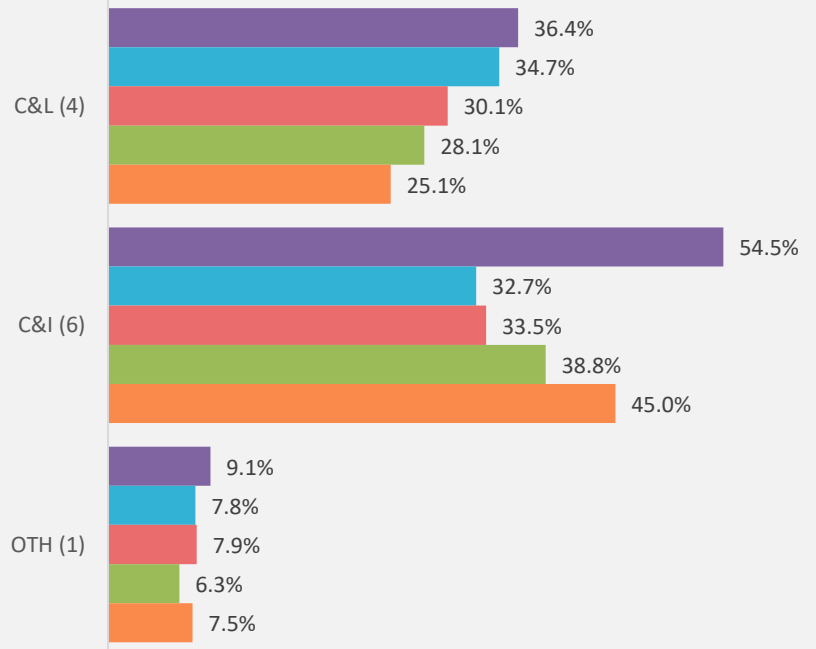

There are 11 pupils with SEN Support in the cohort (10.1%) and no pupils with an EHC plan (0%).

SEN areas of need

The most common area of need among pupils in this school is communication and interaction. There are 6 pupils recorded as having this as their area of need which equates to 54.5% of all SEN pupils.

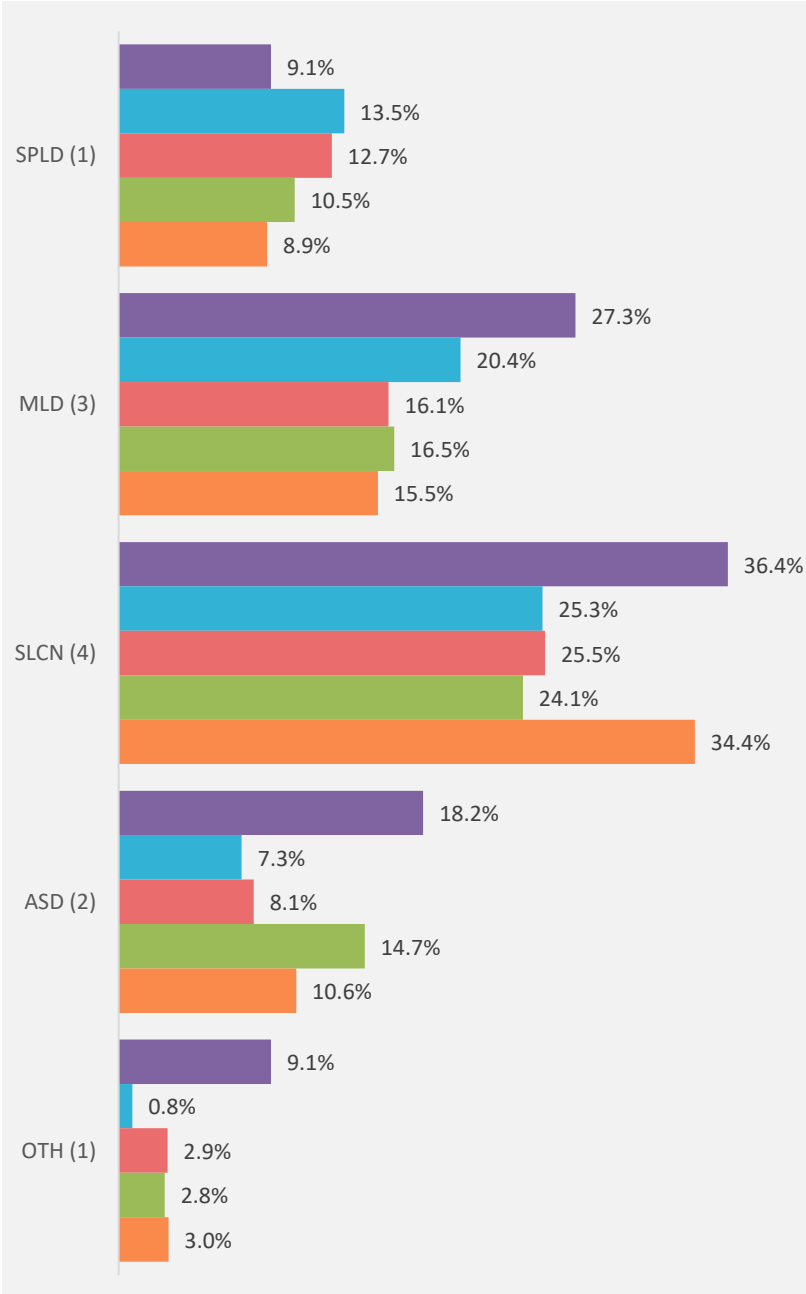

The second most common area of need is cognition and learning with 4 pupils or 36.4% of all SEN pupils.

SEN primary type of need

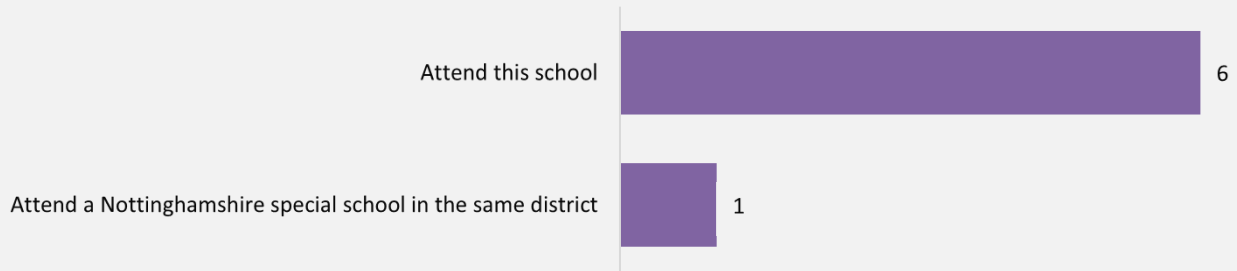

The most common type of need among pupils in this school is speech, language and communication needs. There are 4 pupils recorded as having this as their primary type of need which equates to 36.4% of all SEN pupils.

The second most common type of need is moderate learning difficulty with 3 pupils or 27.3% of all SEN pupils.

Pupils with SEN where this is their closest school (based on pupils in years R-11)

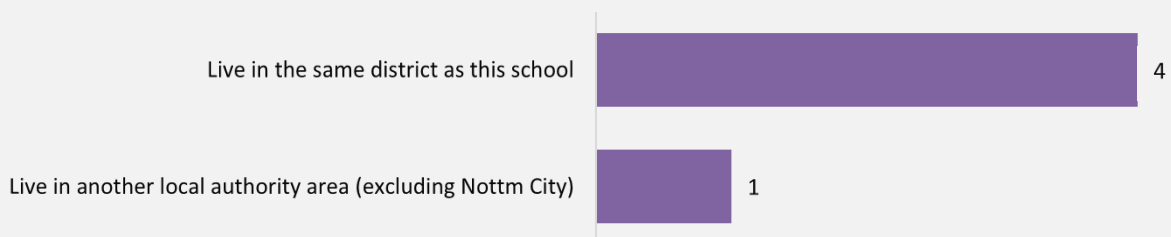

Distance is as the crow flies

There are 7 SEN pupils where your school is the closest to their home address. Most of these attend this school (6 pupils or 85.7% of the cohort).

Pupils with SEN who attend this school where another school is closer (based on pupils in years R-11)

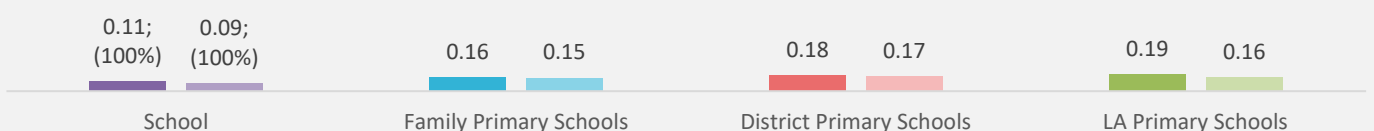

Distance is as the crow flies

5 of your 11 SEN pupils (45.5%) attend your school but this isn't their closest school. Of these 5, most live in the same district as this school (4 pupils or 80% of the cohort).

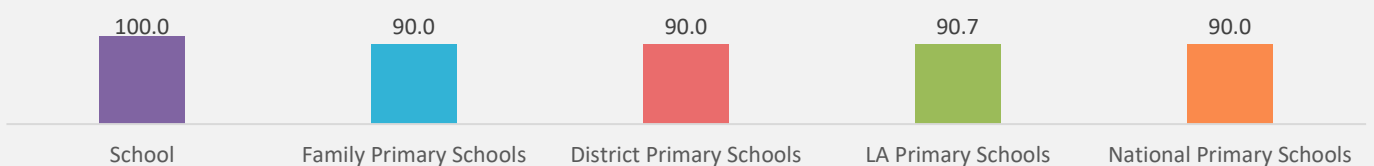

Income Deprivation Affecting Children Index (IDACI)

Dark shades refer to pupils with SEN

There are 11 SEN pupils in your school which have been matched to an IDACI score (100% coverage) based on their home postcode. The average score for this cohort is 0.11 (or 11%). The equivalent score for non-SEN pupils is 0.09 (9%) which means the SEN cohort live in communities which are, on average, more deprived than the non-SEN cohort.

Percentage of inspected schools rated 'Good' or 'Outstanding'

Ofsted data as at 31 July 2023 shows that your school was last inspected in July 2018 and was judged to be Good.

Description	Source	Notes
SEN pupils by year group	School census (Jan 2023)	Count of SEN pupils by year group and SEN provision. Figures in brackets show total SEN pupils. Nursery E1-N2; sixth form 12-14.
SEN and Boys	School census (Jan 2023)	Percentage of SEN pupils who are boys.
SEN and Gypsy, Roma or Traveller	School census (Jan 2023)	Percentage of SEN pupils who have an ethnicity of 'Traveller of Irish Heritage' or 'Gypsy / Roma'.
SEN and white British or BME	School census (Jan 2023)	Percentage of SEN pupils who are white British or black and minority ethnic (BME; all ethnicities other than white British, not obtained or refused).
SEN / non-SEN and FSM	School census (Jan 2023)	Percentage of SEN / non-SEN pupils in years R-11 who are eligible for free school meals (FSM) at census. Dark shades refer to SEN pupils with FSM lighter shades non-SEN with FSM.
Early years pupils (years E1-R) with SEN	School census (Jan 2023)	Percentage of SEN pupils in nursery / sixth form by SEN provision. Dark shades refer to SEN support, mid shades EHC plan and lightest shade those with no known SEN provision.
All year groups with SEN	School census (Jan 2023)	Percentage of SEN pupils in the school by SEN provision. Dark shades refer to SEN support, mid shades EHC plan and lightest shade those with no known SEN provision.
SEN areas of need	School census (Jan 2023)	Percentage of SEN pupils by primary need type. Only those areas of need containing 1 or more pupils are displayed. Figures in brackets show number of pupils for each area of need.
SEN primary type of need	School census (Jan 2023)	Percentage of SEN pupils by primary need type. Only those primary need types containing 1 or more pupils are displayed. Figures in brackets show number of pupils for each primary need type.
Distance to school	School census (Jan 2023); Alt. provision census (Jan 2023)	Based on all SEN pupils (SEN support and EHC plan) in years R-11 recorded in the school and LA's alternative provision censuses. Will not include pupils attending schools outside Nottinghamshire. Distance between pupil postcode and a Nottinghamshire school is calculated as the crow flies therefore care should be taken if major roads / rivers are close to the school as should the school admission policy and if the school is close to a district boundary etc. Pupils are matched to eligible schools based on the pupils year group and phase of school e.g. a year 2 pupil will match to primary and infant phase schools only, a year 8 pupil will match to secondary phase schools only.
Income Deprivation Affecting Children Index (IDACI)	School census (Jan 2023); English indices of deprivation (2019)	<p>IDACI measures the proportion of children aged 0-15 living in income deprived families. Each geographical area nationally (Lower Super Output Area or LSOA for short) is given a score of 0-1 which is effectively a percentage (0%-100%). The score shows the percentage of children in each LSOA that live in families that are income deprived (i.e. in receipt of certain benefits). An IDACI score of, for example, 0.24 means that 24% of children aged less than 16 in that area are living in families that are income deprived.</p> <p>A school average is calculated by matching the pupil postcode to the LSOA area in which they live. This provides a score (0-1) for each pupil. The score of each pupil is then averaged. The coverage in the dataset shows the proportion of pupils who were able to be matched to an LSOA / score. This is shown on the chart for the school only as a percentage in brackets.</p> <p>IDACI is geographical measure based on families who live in that area – it is not family specific like free school meals.</p>
Good' or 'Outstanding' schools (Ofsted)	Ofsted published inspection outcomes (31 July 2023)	Shows the percentage of good or outstanding schools based on their latest Ofsted inspection outcome. Does not include schools which are yet to be inspected but includes the former judgement of schools which have closed / reopened e.g. academy sponsored conversion.

Included within Retford Oaks Family primary schools are:

Beckingham Primary School

Bracken Lane Primary Academy

Clarborough Primary School

Leverton CofE Academy

Misterton Primary and Nursery School

Ordsall Primary School

St Peter's CofE Primary School (Gringley)

St Swithun's CofE Primary Academy

Thrumpton Primary Academy

Walkeringham Primary School
